Dear Pimba Electricity Consumers,

Re: PIMBA ELECTRICITY TARIFF & CHARGES

This notice is to advise you of the electricity tariff increase effective 15th May 2017.

We have reviewed our tariffs as part of our annual review process and an increase of 10% across all fees will be implemented.

Our tariffs have not been increased since May 2014 and going forward, we will be reviewing our prices on an annual basis and we will notify you of any tariff changes in the February-May 2018 bill period.

We have reviewed other electricity provider's tariffs and Cowell Electric has maintained its policy of our tariffs remaining less than AGL's standard rates.

On the reverse of this letter you will see a table outlining our new rates which will take effect on the 15th May 2017.

Regards
